CLASS TIME

As long as we are fully online, we will be together via live video for 25 minute “classes” on Monday, Tuesday, Thursday, and Friday. Wednesdays we can communicate through Meet, Google Classroom, or email in small groups or one-on-one as needed. You will need to complete assignments when you are not in live video class time.

ABOUT ME

I am starting my 30th year of teaching! Time flies when you are having fun. I have two grown children and a wonderful husband who is a pastor in Fenton. I am extremely excited to be able to work with all of you this year.

GOOGLE CLASSROOM

All of your information, assignments, and materials will be posted in your Google Classroom. **To join your classrooms, use your Flushingschools account, go to classroom.google.com, then click accept for each of your classes.** Your Meet link for live video class time will also be posted in Google Classroom.

YOUR GOOGLE “MEET” LINK IS ALSO IN GOOGLE CLASSROOM ON THE TITLE BANNER FOR THE CLASS.

ONLINE TEXTBOOK

WORLD HISTORY: My World Interactive is an online textbook that has written materials in a topic format just like a printed textbook. However, this “book” comes with many

other interactive features that give you several ways to learn the material like maps, videos, mini games, songs, & quizzes. **BE SURE TO HAVE YOUR CHROMEBOOK READY EVERYDAY**

GRADING

Your grade in World History is weighted. That means that 60% of your grade is based on Assessments (test & quizzes) and 40% is made up of Learning Activities (assignments).

Late work may be accepted if it is completed correctly in your own words, and before the test for a given topic.
