

FLUSHING COMMUNITY SCHOOLS ANNOUNCES: KINDERGARTEN & DEVELOPMENTAL KINDERGARTEN REGISTRATION FOR THE 23/24 SCHOOL YEAR

Children born on or before September 1, 2018 are age ready for kindergarten for the 23/24 school year. Please follow all of the instructions below to register your child for Kindergarten.

If your child turns five between September 2, 2023 and December 1, 2023 and you feel they may be ready for school, they may still be eligible for kindergarten or developmental kindergarten. If that applies to your child, please follow the steps listed and eligibility will be discussed at your child's Kindergarten Round-Up appointment.

Please keep in mind that Flushing Community Schools is a "School of Choice" district. Families living outside of district boundaries will have the opportunity to apply for School of Choice in June. Information regarding that will be posted to our district website, www.flushingschools.org, when it becomes available.

Scan the QR Code to begin the registration process. Please try and submit your registration no later than April 14th so that we can get your student scheduled for their Kindergarten Round-Up appointment.

After your registration has been submitted and processed, please look for an email from an ECC staff member asking you to schedule your student's Kindergarten Round-Up appointment. Appointments will take place on:

April 26th, 2023

If you did not upload required registration documents, please gather all of the paperwork for your incoming student and plan to bring it to their scheduled Round-Up appointment
Required documents are:

- Two current proofs of residency (in addition to the driver's license)
- Up-to-date Immunization Record
- Current Health Appraisal (Completed by a health care provider on or after 9/1/22)

On April 26th, you and your student(s) will come to the ECC for their Round-Up appointment. Utilize the Main Entrance located at the front of the building on Chamberlain St. Please come right at your scheduled appointment time and plan to bring any registration documents listed above unless they were previously submitted.

What to expect at the Kindergarten Round-Up Appointment: During these individual appointments, a kindergarten teacher will complete a readiness assessment with your child. This assessment will provide valuable information as we plan for your child's educational needs for the fall. After your child completes the 15-minute assessment, the teacher will review the information with you and possibly make suggestions for activities that you may want to do with your child. Teacher recommendation of Developmental Kindergarten for your child may also be discussed. Optional, fun activities will be available for you and your student to participate in once you complete your scheduled appointment.

***For families that register after our Round-Up day: Your child is still permitted to join us for the 23-24 school year. Staff may reach out to you at a later date to schedule a round-up appointment.*

Once Round-Up and paperwork are complete, your next step is to work with your child on suggested materials. The ECC office will be closed during the summer. Once we return Mid-August, we will mail out teacher welcome letters as we prepare to welcome our newest Jr. Raiders to the ECC!

We are looking forward to welcoming you into the Flushing Community Schools family! If you have any questions, please feel free to contact the Early Childhood Center:
